

Yew Yik Weng

Consultant, NSC

Assistant Professor, Lee Kong Chian School of Medicine, NTU

Research Interests:

- Atopic Dermatitis & Skin Microbiome
- Dermato-epidemiology
- Disease Burden & Outcomes Research

Email: ywyew@nsc.com.sg

Biography

Yik Weng is a Consultant Dermatologist at the National Skin Centre (NSC) with strong clinical and research interests in atopic dermatitis (AD), psoriasis, dermato-epidemiology and, disease outcomes research, with close to 60 peer reviewed scientific publications. He is currently the deputy head of the NSC Research Division and head of Eczema clinic, NSC. He obtained his MBBS from the Yong Loo Lin School of Medicine, NUS in 2006 and completed his dermatology residency in 2014 at NSC. After his dermatology training, he obtained a Masters of Public Health to further his training in epidemiology research from the Harvard School of Public Health, USA in 2015 as part of his Health Manpower Development Plan award. He was awarded the National Healthcare Group Clinician Scientist Career Scheme award in 2016 and started his PhD studies at Lee Kong Chian School of Medicine, NTU, Singapore to study disease prevalence and associations of atopic dermatitis in a general adult population cohort. He is active in various types of research in AD and collaborates with various local and overseas institutes on population-based cohort studies, clinical trials, basic and translational AD research on omics, skin microbiome and skin bioimaging.
