DSRB-081020: All Translated Documents No Longer Required To Be Submitted To DSRB

With effect from 19 Oct 2020, all translated documents (such as posters, flyers, brochures, patient diaries/cards, questionnaires, assessments, etc.) <u>will not</u> need to be submitted to DSRB for acknowledgement.

The study team may track the use of translated study documents using <u>PCR Template 509-018 Study</u> <u>Documents Translated Tracking Log</u>.
