

Expected SAE reporting in NHG ROAM

Effective 09 Apr 2018, all Expected SAEs for HBR studies should be reported using the [Expected SAE Form](#) in NHG ROAM.

For details of form creation, please refer to the [Expected SAE ROAM guide \(for site\)](#) which is available on the NHG research website.

If you have any feedback or enquiries on Expected SAE reporting, please contact your respective Domain Analyst or email us at OHRPP@nhg.com.sg
