Guide for NHG Staff to self-enroll for PCR 001 – PCR 400 Online courses

The following PCR courses are available for self-enrolment on eLEARN via Marketplace.
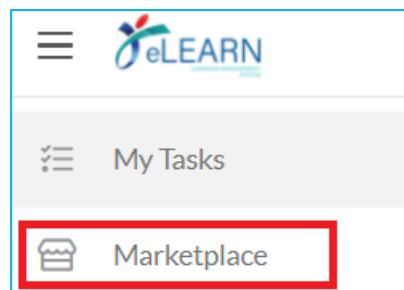

1. (PCR 001) Subject Recruitment and Informed Consent
2. (PCR 100) Study Start Up: Case Report Form (CRF) Design, Database Design, Using REDCap and Budgeting
3. (PCR 300) Study Conduct II: Documentation, Safety Reporting and Investigational Product (IP)
4. (PCR 400) Monitoring, Audits and Inspections

To self-enrol for these courses, follow these steps:

1. **Login to eLEARN via this link**: https://elearn.sg/nhg/

Note:
- Login using your existing UserID and Password.
- If you are still unable to access eLEARN, you may wish to contact the eLEARN Technical Support team at lmssupport@wizlearn.com or contact them at +65 3129 2592 (Monday – Friday: 7am – 7pm, Saturday 7am - 2pm).
- Alternatively, you may contact your institutions' eLEARN representatives for issues relating to your UserID/Password.

2. **Go to Marketplace and search for the PCR course which you wish to enrol.**

3. **After the course is located; click on it to commence. If you are unable to locate the course, go to your task (Left panel) and click on the Current box, you should be able to see and access the selected PCR course.**
