

RESEARCH EDUCATION: ORHPP PI/ INVESTIGATOR TRAINING TOPICS

| S/N | TOPICS | SUB-TOPICS | DURATION (includes Q&A) | TARGET AUDIENCE |
|-----|---|--|----------------------------|--|
| 1A | i) Overview of the Office of Human Research Protection Programme (OHRPP) | <ul style="list-style-type: none"> • Overview of Research Ethics Governance • Overview of OHRPP Organisational Structure • Overview of NHG DSRB Biomedical Domain (A – E) & NHG DSRB Population Health (Domain F) | 1hr | <ul style="list-style-type: none"> • Principal Investigators • Clinical Research Coordinators • Study/ Trial Administrators & Research Team |
| | ii) Overview of the NHG Domain Specific Review Board (DSRB) | <p>NHG DSRB Biomedical Domains (Domain A – E)</p> <ul style="list-style-type: none"> • Role of DSRB • Introduction to the various Domains • Submitting an Application • DSRB Review Process (Overview of Domains A- E Application, Review Process & Approval Process) • Post Approval & Study Closure (i.e. Continuing Review, Monitoring, UPRISTO etc.) | | |
| 2A | i) Overview of the Office of Human Research Protection Programme (OHRPP) | <ul style="list-style-type: none"> • Overview of Research Ethics Governance • Overview of OHRPP Organisational Structure • Overview of NHG DSRB Population Health (Domain F) | 1hr | <ul style="list-style-type: none"> • Principal Investigators • Clinical Research Coordinators • Study/ Trial Administrators & Research Team |
| | ii) Overview of the NHG Domain Specific Review Board (DSRB) | <p>NHG DSRB Population Health (Domain F)</p> <ul style="list-style-type: none"> • Role of DSRB • Introduction to the various Domains • Submitting an Application • DSRB Review Process (Overview of Domain F Application, Review Process & Approval Process) • Post Approval & Study Closure (i.e. Continuing Review, Monitoring, UPRISTO etc.) | | |
| 3A | NHG DSRB Biomedical Domains A- E: Common Errors In Answering the NHG DSRB ROAM Application Form | | 1hr | <ul style="list-style-type: none"> • Principal Investigators |

| | | | | |
|----|--|---|-----|---|
| | | | | <ul style="list-style-type: none"> • Clinical Research Coordinators • Study / Trial Administrators & Research Team |
| 3B | NHG DSRB Population Health Domain F: Common Errors In Answering the NHG DSRB ROAM Application Form | | 1hr | <ul style="list-style-type: none"> • Principal Investigators • Clinical Research Coordinators • Study / Trial Administrators & Research Team |
| 4 | Research Quality Management (RQM) Study Review Findings | <ul style="list-style-type: none"> • Role of RQM • Objectives of RQM Study Review Findings • Presentation on the analysis of collated study review findings • Sharing of case studies of major findings from study review findings | 1hr | <ul style="list-style-type: none"> • Principal Investigators • Clinical Research Coordinators • Study / Trial Administrators & Research Team |
| 5 | Responsible Conduct of Research (RCR) | <ul style="list-style-type: none"> • Definition of RCR • Components of RCR • Sharing of RCR Case Studies | | |
| 6A | i) Study Start-Up Training | i) Preparing & Maintaining Your Investigator File <ul style="list-style-type: none"> • Essential Documents. • Starting Your Study. • During the Study. • After Study Completion. • Good Documentation Practice. • NHG RQM study review findings on study documentation. • Documentation templates and resources. | 1hr | <ul style="list-style-type: none"> • Principal Investigators • Clinical Research Coordinators • Study/Trial Administrators & Research Team |
| 7A | i) Study Start-Up Training | ii) Documentation in Clinical Trials <ul style="list-style-type: none"> • Overview on the essential documents that must be maintained before, during and after a clinical trial. • Principles of good documentation practice. • Information to be recorded on source documents. | 1hr | <ul style="list-style-type: none"> • Principal Investigators • Clinical Research Coordinators |

| | | | | |
|---|--|--|-------------------------------|---|
| | | <ul style="list-style-type: none"> • NHG RQM study review findings on study documentation. • Documentation templates and resources. | | <ul style="list-style-type: none"> • Study/Trial Administrators & Research Team |
| 8 | Research Policy(ies) and SOP Updates (DSRB & PCR SOPs) <i>NB: Timing dependent on number of SOPs to be updated.</i> | | 30min-45min (approx., see NB) | <ul style="list-style-type: none"> • Principal Investigators • Clinical Research Coordinators • Study/Trial Administrators & Research Team |
| 9 | Customised OHRPP PI Trainings | After being in consultation with the department's representative, RE will customise the training based on the list of the selected sub-topics for the department, so as to target the specific needs required and/or clarify issues encountered. | 1hr-1.5hrs | <ul style="list-style-type: none"> • Principal Investigators • Clinical Research Coordinators • Study/Trial Administrators & Research Team |
