

Yong Enming

Consultant, Vascular Surgery Service, Department of General Surgery,
TTSH
Deputy Head, Vascular Diagnostic Laboratory

Research Interests:

- Wounds
- Vascular Access
- Innovation / Med Tech Devices

Email: enming_yong@ttsh.com.sg

Biography

Dr Yong Enming is a Vascular and Endovascular Surgeon with Tan Tock Seng Hospital. He graduated from National University of Singapore and underwent surgical training with National Healthcare Group. He has been accredited as a specialist in General Surgery since 2018, becoming a Fellow of the Royal College of Surgeons of Edinburgh. He is a clinical lecturer at our local medical schools, Yong Loo Lin School of Medicine and Lee Kong Chian School of Medicine.

He has clinical and research interests in diabetic limb salvage, vascular access and wounds including maggot debridement therapy. He holds an MBA jointly awarded by IE Business School and Singapore Management University and has additional interests in MedTech innovation.
